II. practice of the following guidelines prescribed by Osha, CDC, CIDESCO & Local Government.

- Require staff who feel unwell to stay home and request that guests who feel unwell reschedule appointments
- Staff diagnosed with Covid-19 must wait 10 days or until symptom free before returning to the spa.
- Social distancing in place within communal spaces.
- Seating in lobby and hall waiting area spaced 6' apart.
- Technicians must wear face masks.
- Technicians must wear a new pair of gloves for each client.
- Technicians must wash hands for 20 seconds with soap & warm water before & after each service.
- Hand sanitizer is available throughout the spa.
- Nail stations are reduced to 3 and spaced 6 feet apart.
- Nail staff will be reduced to a maximum of 3 techs.
- All sheets, towels, mitts, booties, smocks, and robes shall be removed after each client for laundering.
- All implements used are disposable or disinfected with a disinfectant and dry heat sterilizer per CIDESCO standards.
- Staff must store all belongings in the coat room and remove all belongings at shift end.

III. Deep daily cleaning of treatment rooms, bathrooms and all commonly used areas and surfaces by a certified cleaning licensed company.

OASIS DAY SPA will continue to monitor this transition. Thank you for your understanding, your compliance and your continued support. Please know we are here for you and will continue to do our part to keep you safe and provide peace of mind during your spa experience.

Warm regards, Julie, Joe and the Oasis Team
